[Practical Information for incoming students](#)

[ECTS Course Catalogue](#) (study programmes realized at Lodz University of Technology)

The institute cooperates with the following higher education institutions:

[University of Bergen](#) – Norway

[Information sheet Bergen 2013-14](#)

[Department of Biomedicine](#)

Common field of research:

- Biomedical Imaging
- Image processing

[Tampere University of Technology](#) – Finland

Common field of research:

- Biomedical
- Medical Technology

[Oslo and Akershus University College of Applied Science](#) – Norway

Common field of research:

- Engineering Technology
- Computer Science
- Medical Technology

University of Stavanger - Norway

Common field of research:

- Informatics,
- Computer Science,
- Data Intensive System
- Security and Cloud Computing

Instituto Politecnico do Porto – Portugal

Common field of research:

- Computer Science
- Medical Technology
- Biomedical Engineering

Universita degli Studi de Padova – Italy

Common field of research:

- Biomedical Engineering
- Medical Technology

Aristotle University of Thessaloniki – Greece

Common field of research:

- Electronics
- Electrical Engineering
- Telecommunications

University of Zagreb – Croatia

Faculty of Mechanical Engineering and Naval Architecture

Common field of research:

- Engineering and engineering trades

[University of Gent](#) – Belgium

[Department of Electronics and Information Systems](#)

Common field of research:

- VLSI circuit design
- Thermography
